## VIVERE • VIVIR • TO LIVE

Life is hectic, life is busy, and sometimes all we have time for is a few hours on the patio, in the backyard, or a weekend at the cottage. At Vivere Ltd., we believe that balance in life has huge importance in everything we do. Our goal, Relax the World, is also our mantra for living and one that we bring to you.

We are dedicated to providing our customers with the best products and service possible. We are driven to make Vivere Ltd. your first choice for high quality products, provide seamlessly quick shipping, and have knowledgeable Hammock Experts available around the clock to answer all your questions. We stand by our beliefs in balancing hard work with fun and we turn to the people we work alongside to show you how we can contribute to our big picture. Whether we're celebrating anniversaries in the office, helping other organizations relax in hammocks, or spending time serving our community, we want everyone to experience that relaxation and balance that we're so passionate about.

## WHAT'S IN A FABRIC?

THE BENEFITS OF COTTON, POLYESTER, AND SUNBRELLA®

### COTTON

Made of tightly weaved cotton cloth

Soft and airy, breathable fabric

Should be brought inside during bad weather and winter months

### POLYESTER

Man-made synthetic material

Strong, wrinkle resistant, and water repellent

Should be brought inside during bad weather and winter months

### SUNBRELLA®

Made from solution-dyed acrylic yarns

Resists UV, fading, staining, and mildew

Can be kept outdoors all year round

Superior Polyester end strings ensure a durable long lasting hammock.

Enhanced thicker, tighter woven cotton provides long lasting support.

A man wearing a cap and glasses is relaxing in a red hammock chair. The chair is suspended from a large red umbrella. The background is a lush green garden with various plants and flowers.

## VIVERE DREAM FAMILY

WHICH ONE IS RIGHT FOR YOU?

**DREAM-CR**

The Vivere Dream Series products offer you the ultimate choice for backyard lounging. All of these loungers have unique frames that add a contemporary twist to any space. The cushions are made with weather-friendly spun polyester and filled with 5 cm of foam, and all of the pieces come with a large 6-point umbrella to provide shade relief. Find the one that's right for you or mix-and-match to add some flair.
