GLOBO ROYAL CHAIR

A hanging chair of quality, made from weather-resistant treated spruce. The high-class laminated gluing makes it particularly stable and secure.

The extra-thick, water-repellent and rapidly drying upholstery is your guarantee of perfect relaxation. The fabric covers in the colours natura and terracotta are made of pure cotton. The covers in the colours verde, taupe and anthracite are made from Agora material. These are just as soft as cotton, and they are also extremely durable, highly light-resistant (light fastness 7/8) and weatherproof. Moreover they are water-repellent, proof against mildew, insensitive to dirt and easy to clean.

Comes with 2 spiral springs. Globo Royal Chair can be combined with the Globo Royal Stand frame (not included in the delivery specifications).

All the raw materials used come from Europe, and have been processed in Europe in environmentally friendly ways. AMAZONAS uses FSC™-certified wood from sustainable European state forests for the manufacture of their products.
