

Delivery without hammock

THE IDEAL PROTECTION FOR YOUR OUTDOOR EQUIPMENT

Hammock Floor protects your outdoor gear against damp or dirty ground.

Just use the integrated suspension system to hang the Hammock Floor directly below the hammock, or fasten it to the four loops on the ground as an underlay (pegs not included).

The coated, ultra-light ripstop material gives the equipment lying on it effective protection against ground damp and dirt.

Comes with a stowing bag and length-adjustable suspension system.

Can be combined with any hammock and suitable for any outdoor camp.

Stowing bag

hammock / daypack not included

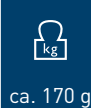

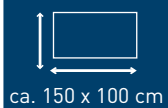

hammock / daypack not included

Small pockets for storing the ropes
