Anthracite • AZ-2020400 • EAN 4030454006804
(can be used on both sides – either in grey or in taupe)

The stylish floated recliner

Swing Lounger combines maximum hanging comfort with a modern and stylish design, making it an eye-catching feature for any home. The elegantly curved reclining surface is precisely adjusted to the body, so you can lean back comfortably, relax and enjoy.

The Swing Lounger is the product of painstaking craftsmanship, and is made from weather-resistant treated spruce. The high-class laminated gluing makes it particularly stable and secure.

The extra-thick, water-repellent and rapidly drying mattress is your guarantee of perfect relaxation. The highly durable Agora cover is as soft as cotton, but it is exceptionally light-resistant and weatherproof. It is also water-repellent, proof against mildew, insensitive to dirt and easy to clean.

The Swing Lounger can be used either as a gently rocking recliner on the ground, or as a perfectly balanced floating recliner in the AMAZONAS Globo Stand frame (not included in the scope of delivery). Spiral spring included.

All the raw materials used come from Europe, and have been processed in Europe in environmentally friendly ways.
