

UNDERQUILT-PONCHO

Delivery without hammock

TWO IN ONE: THERMAL PROTECTION UNDERLAY FOR HAMMOCKS COMBINED WITH A PONCHO

Content: poncho (one size) and thermal protection underlay for hammocks combined, including suspension ropes and hammock straps

The Thermolite® microfibre lining is supremely warm and cosy, soft as down feathers and highly compressible for taking little space when packed. Without a ground pad, it can be used at temperatures as low as zero degrees. In combination with a suitable ground pad, it can withstand temperatures well below freezing.

100% nylon ripstop material

Suspension rope for underquilt function (detachable and continuously adjustable)

Stowaway pocket

Poppers

Packaging

TRANSFORM YOUR UNDERQUILT TO A PONCHO IN JUST FOUR STEPS:

1. Open zip

2. Pull over your head

3. Fasten poppers

4. Close zip
